**Field Descriptions** (F12) indicates code lookup is available.

*CAPS ID*
This field will display the CAPS ID of the client who was entered on the IVEL (IV-E Reimbursability List) screen.

*NAME*
This field will display the name of the client whose ID is displayed in the CAPS ID field.

*IV-E BGN DATE*
This field will be blank if IVED is accessed directly or will display the IV-E begin date if IVED is accessed by selecting a IV-E span from the IVEL (IV-E Reimbursability List) screen.

*IV-E END DATE*
This field will be blank if IVED is accessed directly or will display the IV-E end date if IVED is accessed by selecting a IV-E span from the IVEL (IV-E Reimbursability List) screen.

*IV-E UPDT DATE*
This field will be blank if IVED is accessed directly or will display the date the IV-E span was last updated if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*INACTIVE DATE*
This field will be blank if IVED is accessed directly or will display the inactive date of the Inactive (Flag = "I") IV-E span if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*ACTIVE FLAG*
This field will be blank if IVED is accessed directly or will display the active/inactive (A/I) flag of the IV-E span if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*REASON* (F12)
This field will be blank if IVED is accessed directly or will display up to three unresolved reasons that the IV-E span was pending, suspended or denied if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.  *Reason codes will display in the following order:  CRT, PPH, LIC and then any additional unresolved reasons.*

*CHILD MEETS AFDC RELATEDNESS CRITERIA*
This field will display a "Y", "N", "P" or blank.
- This field will display a "Y" if the client's most recent AFDC relatedness determination is approved on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client had an approved AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will display an "N" if the client's most recent AFDC relatedness determination is denied on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client had a denied AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will display a "P" if the client's most recent AFDC relatedness determination is pending on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client had a pending AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if the client does not have an AFDC relatedness determination on the DETL (IV-E Determination List) screen if IVED is accessed

directly or if the client did not have an AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*FINANCIAL MONTH*
- This field will display the financial month from the most recent AFDC relatedness determination on the DETL (IV-E Determination List) screen if IVED is accessed directly or the financial month from the AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if the client does not have an AFDC relatedness determination on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client did not have an AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*IF NO, REASON FOR DENIAL*
- This field will display the denial reason if the most recent AFDC relatedness determination was denied on the DETL (IV-E Determination List) screen if IVED is accessed directly or the denial reason from the denied AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if the most recent AFDC relatedness determination is approved or pending on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client had an approved or pending AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if the client does not have an AFDC relatedness determination on the DETL (IV-E Determination List) screen if IVED is accessed directly or if the client did not have an AFDC relatedness determination at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*CHILD'S AGE*
This field will display the client's current age if IVED is accessed directly or the client's age at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*BIRTH DATE*
This field will display the client's current birth date if IVED is accessed directly or the client's birth date at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*EXPECTED TO GRAD BY AGE 19*
This field will display a "Y" or "N", based on what is currently on the CLID (Client Detail) screen, if IVED is accessed directly or a "Y" or "N", based on what was on the CLID (Client Detail) screen at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*DOES THE AGENCY HAVE PLACEMENT AND CARE RESPONSIBILITY?*
- This field will display a "Y" if the client has an active court disposition of AFD, EPS, GSP, LTC, PLC, RPA, TCT, TIA, TIE, TLC, TLE or WRD if IVED is accessed directly or if the client had an active court disposition of AFD, EPS, GSP, LTC, PLC, RPA, TCT, TIA, TIE, TLC, TLE or WRD at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will display an "N" if the client does not have an active court disposition of AFD, EPS, GSP, LTC, PLC, RPA, TCT, TIA, TIE, TLC, TLE or WRD if IVED is accessed directly or if the client did not have an active court disposition of AFD, EPS, GSP, LTC, PLC, RPA, TCT, TIA, TIE, TLC, TLE or WRD at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*EFFECTIVE DATE*
This field will display the effective from date of the court record that shows placement and care responsibility if the DOES THE AGENCY HAVE PLACEMENT AND CARE RESPONSIBILITY field contains a "Y" or will be blank if the DOES THE AGENCY HAVE PLACEMENT AND CARE RESPONSIBILITY field contains an "N" or is blank.

*END DATE*
This field will display the effective to date of the court record that shows placement and care responsibility if the DOES THE AGENCY HAVE PLACEMENT AND CARE RESPONSIBILITY field contains a "Y" or will be blank if the DOES THE AGENCY HAVE PLACEMENT AND CARE RESPONSIBILITY field contains an "N" or is blank.

*PRNTL/YTH AGREEMENT EXISTS*
This field will display a "PA", "YA" or blank.
- This field will display "PA" if a parental agreement currently exists for the client if IVED is accessed directly or if the client had a parental agreement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will display "YA" if a youth agreement currently exists for the client if IVED is accessed directly or if the client had a youth agreement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if neither a "PA" nor a "YA" currently exists for the client if IVED is accessed directly or if a "PA" or a "YA" did not exist at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*EFFECTIVE DATE*
- This field will display the effective date of the parental or youth agreement if IVED is accessed directly or the effective date of the parental or youth agreement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if neither a "PA" nor a "YA" currently exists for the client if IVED is accessed directly or if a "PA" or a "YA" did not exist at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*END DATE*
- This field will display the end date of the parental or youth agreement if IVED is accessed directly or the end date of the parental or youth agreement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.
- This field will be blank if neither a "PA" nor a "YA" currently exists for the client if IVED is accessed directly or if a "PA" or a "YA" did not exist at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*CONTRARY TO WELFARE EXISTS*
This field will display a "Y", "N" or blank.
- This field will display what the 'contrary to welfare' flag on the CREI (CPS Removal Eligibility Information) screen is marked with for the most recent removal for the client if IVED is accessed directly or what the 'contrary to welfare' flag was marked with at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*DATE*
This field will display what the contrary to welfare 'court order effective date' is on the CREI (CPS Removal Eligibility Information) screen for the most recent removal for the client if IVED is accessed directly or what the contrary to welfare 'court order effective date' was at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*REASONABLE EFFORTS EXIST*
This field will display a "Y", "N" or blank.
- This field will display what the 'reasonable efforts have been made' flag on the CREI (CPS Removal Eligibility Information) screen is marked with for the most recent removal for the client if IVED is accessed directly or what the 'reasonable efforts have been made' flag was marked with at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*DATE*
This field will display what the reasonable efforts have been made 'court order effective date' is on the CREI (CPS Removal Eligibility Information) screen for the most recent removal for the client if IVED is accessed directly or what the reasonable efforts have been made 'court order effective date' was at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*REASONABLE EFFORTS NOT REQUIRED*
This field will display a "Y", "N" or blank.
- This field will display what the 'no reasonable efforts were required' flag on the CREI (CPS Removal Eligibility Information) screen is marked with for the most recent removal for the client if IVED is accessed directly or what the 'no reasonable efforts were required' flag was marked with at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*DATE*
This field will display what the no reasonable efforts were required 'court order effective date' is on the CREI (CPS Removal Eligibility Information) screen for the most recent removal for the client if IVED is accessed directly or what the no reasonable efforts were required 'court order effective date' was at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*LAST PF DATE*
This field will display the most recent permanency finding date on the PPHL (Permanency Plan Hearing List) if IVED is accessed directly or what the permanency finding date was at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*NEXT PF DATE*
This field will display the next permanency finding due date on the PPHL (Permanency Plan Hearing List) screen if IVED is accessed directly or what the next permanency finding due date was at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*PLACEMENT PROVIDER/FACILITY*
This field will display the provider and facility number of the most recent open placement for the client if IVED is accessed directly or the provider and facility number of the placement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*NAME*
This field will display the name of the displayed provider and facility number.

*PLACEMENT TYPE* (F12)
This field will display an "F", "G", "A", "J" or blank depending on the type of placement for the client's most recent placement if IVED is accessed directly or the type of placement at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*STATUS* (F12)
This field will display the most recent placement status for the client's most recent placement if IVED is accessed directly or the placement status at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*LICENSE TYPE* (F12)
This field will display the license type on the PLAD (Placement Detail) screen for the client's most recent placement if IVED is accessed directly or the license type at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*STATUS* (F12)
This field will display the license status on the PLAD (Placement Detail) screen for the client's most recent placement if IVED is accessed directly or the license status at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*LICENSE EFFECTIVE DATE*
This field will display the issuance date of the license on the PLAD (Placement Detail) screen for the client's most recent placement if IVED is accessed directly or the issuance date of the license at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

*END DATE*
This field will display the end date of the license on the PLAD (Placement Detail) screen for the client's most recent placement if IVED is accessed directly or the end date of the license at the time the IV-E span was created if IVED is accessed by selecting a span from the IVEL (IV-E Reimbursability List) screen.

**Additional Information**

The IVED screen can be accessed directly by typing in the PATH or by selecting a particular IV-E span from the IVEL (IV-E Reimbursability List) screen.

If IVED was accessed by directly typing in the PATH, the information displayed on the screen will be the information that is currently in the system.

If IVED was accessed by selecting a IV-E span from the IVEL (IV-E Reimbursability List) screen, the information displayed on the screen will be the information that was current at the time the IV-E span was created.
